PROFESSIONAL SUMMARY

BE Electronics and Communication Engineering student with hands-on experience in **Python** and **Web development**. Skilled in Python, JavaScript, HTML, CSS, React, Node.js, and MySQL, with practical knowledge of **Arduino** and basic **embedded systems**. Experienced in developing software and ECE-based academic projects, with a strong interest in software development and problem solving.

TECHNICAL SKILLS

Programming: Python, JavaScript, SQL

Web Development: HTML, CSS, DOM manipulation, jQuery, Bootstrap, React.js, Node.js

Database: MySQL, MongoDB

Tools: Git, GitHub, VS Code

ECE / Embedded: Arduino Uno, Embedded Systems Basics, Sensors, Microcontrollers

Other: Problem Solving, Team Collaboration, Adaptability

EXPERIENCE

Full Stack Development Intern | Agileinfo Techytern Solutions LLP | Trivandrum, India

July 2025 - August 2025

- Developed responsive web pages using HTML, CSS, JavaScript, and Bootstrap.
- Worked on frontend and backend integration for web applications.

Backend Development Intern | Networkz Systems | Nagercoil, India

June 2026 - July 2026

- Worked on backend development using Python and web technologies.
- Learned database operations and basic API concepts.

PROJECTS

Personal Portfolio Website - HTML | CSS | JavaScript | Bootstrap

- Developed a responsive portfolio website to showcase skills, projects, education, and experience.
- Designed the website for desktop and mobile screen sizes.

Personal Expense Tracker - Python, MySQL, HTML, CSS, JavaScript

- Developed an application to record, manage, and track personal expenses.
- Implemented expense management and database functionality.

IoT-Based Weather Monitoring System - Raspberry Pi | Python | Sensors | IoT

- Developed an IoT-based system to monitor real-time environmental parameters such as temperature and humidity. Used Raspberry Pi with sensors to collect and process weather data.

EDUCATION

Bachelor of Engineering : Electronics and Communication

Ponjesly College of Engineering | Nagercoil, India

CGPA: 8.10 | 2023 - 2027

CERTIFICATIONS

Python Programming | Javascript
